

## **AGM / Interim Management Statement**

Elementis plc (“the Company”) today issues its first Interim Management Statement for the period ended March 31, 2008 in relation to the Company and its subsidiaries (“the Group”).

The Group has made a positive start to the financial year, and trading in all three continuing businesses is ahead of the same period last year. Demand patterns are reflective of those experienced in the latter half of 2007, and the Board continues to anticipate making progress in 2008 in line with its expectations.

The Group’s balance sheet remains strong with no material changes in the financial position since the publication of the Company’s preliminary results for the year ended December 31, 2007.
