Dear Shareholder

NOTICE OF ANNUAL GENERAL MEETING (‘AGM’) TO BE HELD ON 30 APRIL 2019

I am writing to give you notice of the Company’s AGM that is to be held at the offices of Herbert Smith Freehills LLP, Exchange House, Primrose Street, London EC2A 2EG on Tuesday 30 April 2019 at 11.00 am.

As you will see from the notice of AGM overleaf, there are a number of items of business to be considered and you will find explanatory notes on pages 4 to 10.

The directors believe that in the interests of shareholder democracy, it is important that the voting intentions of all members are taken into account, not just those who are able to attend the AGM and as such we propose putting Resolutions 1 to 20 to shareholders by way of poll rather than a show of hands. Shareholders attending the AGM will still have the opportunity to ask questions and vote on each resolution.

Action required

If you would like to vote on the resolutions but cannot come to the AGM, you can appoint a proxy to exercise all or any of your rights to attend, vote and speak at the AGM. You will find a Form of Proxy and an Attendance Card enclosed with this notice. Alternatively, submit an electronic proxy appointment instruction as soon as possible and, in any event, so as to be received by the Company’s Registrar at the relevant address set out below by no later than 11.00 am on 26 April 2019. Completion and return of the Form of Proxy or submission of an electronic instruction will not preclude you from attending and voting in person at the AGM should you subsequently decide to do so.

Questions

If you have any questions about the AGM or your shareholding, please contact our Registrar, Equiniti, by post at Equiniti Limited, Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA; by telephone on 0371 384 2379 (overseas +44 121 415 7043); or for shareholders who have already registered with Equiniti’s online portfolio service; Shareview, on the internet at www.shareview.co.uk (lines are open from 8.30 am to 5.30 pm Monday to Friday excluding public holidays in England and Wales). Further shareholder information can be found on the Company’s corporate website at www.elementisplc.com.

Recommendation

The Board confirms that, in its opinion, all of the resolutions are in the best interests of the Company and its shareholders as a whole and unanimously recommends that shareholders vote in favour of them. The directors intend to vote in favour of the resolutions in respect of their own beneficial shareholdings.

Yours sincerely

Andrew Duff
Chairman

The Notice of AGM appears on pages 2 to 3. The following information provides additional background information to the resolutions proposed.

**RESOLUTION 1 – ANNUAL REPORT AND ACCOUNTS**

The Companies Act 2006 requires the directors of a public company to lay before the Company in general meeting copies of the annual report and accounts in respect of each financial year. As such, the Company proposes a resolution on its audited accounts and directors’ and auditors’ reports for the year ended 31 December 2018. Shareholders will have the opportunity to put any questions to the directors before the resolution is proposed to the Meeting.

**RESOLUTION 2 – FINAL DIVIDEND**

The directors recommend a final dividend in respect of the year ended 31 December 2018 of 5.70 cents per share. If approved, the final dividend will be paid on 31 May 2019 in pounds sterling at an exchange rate of £1.00:$1.3377 (equivalent to a sterling amount of 4.2611 pence per share), to shareholders on the register of members of the Company on 3 May 2019. A copy of the Company’s dividend policy is set out on pages 8 and 9 of the 2018 annual report and accounts.

**RESOLUTION 3 – DIRECTORS’ REMUNERATION REPORT**

An advisory vote means the outcome will not affect the actual remuneration paid to any individual director. The directors’ remuneration policy was last approved by shareholders at the AGM in 2018 and is only subject to a vote every three years unless changes to policy are being proposed which is not the case this year. The directors’ remuneration policy will be put to shareholders again no later than the Company’s AGM in 2021.

RESOLUTIONS 12 AND 13 – APPOINTMENT OF AUDITOR AND AUDITOR’S REMUNERATION
Resolution 12 relates to the re-appointment of Deloitte LLP as the Company’s auditor to hold office until the next AGM of the Company. This resolution is recommended by the Audit Committee and endorsed by the Board. The directors propose the re-appointment of Deloitte LLP. The rationale for this recommendation can be found in the 2018 annual report and accounts on page 75.

Resolution 13 authorises the Audit Committee of the Board to set the auditor’s remuneration. The Audit Committee considers that the nature and level of consultancy-related non-audit fees to audit fees undertaken by Deloitte LLP (which are detailed on page 75 of the 2018 annual report and accounts) is in accordance with the Company’s non-audit services policy, is appropriate for the advisory work required to be undertaken for the year ended 31 December 2018 and that they do not impact on the auditor’s objectivity and independence.

RESOLUTION 14 – GENERAL AUTHORITY TO ALLOT SHARES
Under the Companies Act 2006, the directors may only allot equity securities (being ordinary shares in the capital of the Company or grant rights to subscribe for or convert any security into shares), if authorised to do so by shareholders in general meeting. At last year’s AGM held on 26 April 2018, shareholders granted the directors such authority to allot equity securities.

Part (a) of Resolution 14 seeks to renew that authority to allow the directors to allot equity securities up to an aggregate nominal amount of £9,673,247 representing an amount equal to one-third of the Company’s issued share capital, excluding any shares held by the Company in treasury (“Treasury Shares”), as at 15 March 2019 the latest practicable date prior to the printing of this document. The Company holds no such Treasury Shares.

In addition, the Company is seeking authority in part (b) of Resolution 15 to allow the directors to allot equity securities only in connection with a rights issue up to a further nominal value of £9,673,247, representing an amount equal to one-third of the Company’s issued share capital, excluding Treasury Shares, as at 15 March 2019.

The authority being sought in Resolution 14 complies with the latest guidelines issued by the Investment Association. If Resolution 14 is passed, the directors will have the authority in certain circumstances to allot equity securities up to a total nominal value of £19,346,494, representing a total amount equal to two-thirds of the Company’s issued share capital, excluding Treasury Shares, as at 15 March 2019.

The directors have no present intention of exercising the authority in Resolution 14. The directors consider it desirable to have the maximum flexibility permitted by corporate governance guidelines to manage the Company’s share capital base. The authority granted in Resolution 14 will expire on the date of the Company’s next AGM or 30 July 2020, whichever is the earlier.

RESOLUTION 15 – POLITICAL DONATIONS
This resolution will renew the authority granted to the Group in last year’s AGM to make donations to political parties, independent election candidates and political organisations and to incur political expenditure.

The Group’s policy is generally to prohibit direct or indirect political contributions and the directors have no intention of using this authority for the above purpose. What constitutes a political donation, a political party, a political organisation, or political expenditure is not easy to define, as the legislation is capable of wide interpretation. Sponsorship, subscriptions, payment of expenses, paid leave for employees fulfilling public duties, and support for bodies representing the business community in policy review or reform, may fall within this.

Accordingly, the directors have decided to seek shareholder authority for political donations and political expenditure in case any of our normal business activities are caught by the legislation. As permitted by Part 14 of the Companies Act 2006, the resolution covers any political donations made, or political expenditure incurred, by any subsidiaries of the Company. The Companies Act 2006 covers three categories: political parties and independent election candidates, political organisations and political expenditure. The directors have decided to place a cap of £50,000 per category provided that authorised political donations or political expenditure do not exceed in aggregate £50,000. The authority will expire at the conclusion of the next AGM or 30 July 2020 (whichever is earlier) and the directors expect to seek to renew this authority at each AGM.

RESOLUTION 16 – NOTICE OF GENERAL MEETING
This special resolution, if renewed, will allow the Company to call general meetings, other than the AGM, on 14 clear days’ notice. The reduction in notice period to 14 days may be advantageous to the Company should it require to seek shareholder approval on any matter. However, the shorter notice period would not be routine but used only for general meetings if the Board considers that the flexibility is merited by the business of the meeting and the circumstances surrounding the business, or to keep a period of uncertainty about the future of the Company to a minimum. Examples of when the directors may consider it appropriate to call a general meeting at 14 days’ notice include when significant time sensitive transactions or other price sensitive transactions are being put to shareholders for approval.
RESOLUTION 17 AND 18 – DISAPPLICATION OF PRE-EMPTION RIGHTS

Under the Companies Act 2006, the directors may seek approval from shareholders to waive the application of statutory pre-emption rights such that the allotment of equity securities pursuant to the authority granted in Resolution 14 may be made without first having to offer it to existing shareholders in proportion to their existing holdings.

At last year’s AGM shareholders passed two special resolutions in relation to the disapplication of statutory pre-emption rights.

This year, and in line with the Pre-Emption Group’s Statement of Principles on the Disapplication of Pre-Emption Rights (the ‘Pre-emption Principles’) the directors have proposed again two separate resolutions to disapply pre-emption rights.

Resolution 17 will permit the directors to use the authority in Resolution 14 to allot:

a. equity securities up to a nominal amount of £19,346,494, representing two-thirds of the Company’s issued share capital as at 15 March 2019 (the latest practicable date prior to publication of this document) on an offer to existing shareholders on a pre-emptive basis, that is including a rights issue or an open offer, with one-third being available only in connection with a rights issue as a result of the limitation on the authority in Resolution 14 (in each case subject to any adjustments, such as for fractional entitlements and overseas shareholders, as the directors see fit); and

b. equity securities up to a maximum nominal value of £1,450,987, representing approximately 5 per cent of the issued ordinary share capital of the Company as at 15 March 2019 (the latest practicable date prior to publication of this document) otherwise than in connection with a pre-emptive offer to existing shareholders.

In connection with the Company’s acquisition of Mondo Minerals Holdings B.V. announced on 29 June 2018 and pursuant to the authority to allot shares approved at last year’s AGM, the Company completed a 1 for 4 rights issue of 116,058,808 new ordinary shares of 5p each (‘Rights Issue’) on 19 October 2019. The new ordinary shares issued pursuant to the Rights Issue represented approximately 25% of the Company’s existing issued ordinary share capital immediately before the Rights Issue.

Resolution 18 will permit the directors to allot additional equity securities up to a maximum nominal value of £1,450,987, representing approximately a further 5 per cent of the issued ordinary share capital of the Company as at 15 March 2019 (the latest practicable date prior to publication of this document), otherwise than in connection with a pre-emptive offer to existing shareholders for the purposes of financing or refinancing a transaction as contemplated by the Pre-emption Principles. The directors believe that it is appropriate to seek this additional 5 per cent authority in Resolution 18 to give the Company the flexibility that this resolution affords.

The Board confirms that, in accordance with the Pre-Emption Principles, it does not intend to issue shares for cash representing more than 7.5 per cent of the Company’s issued ordinary share capital in any rolling three-year period to those who are not existing shareholders (save in accordance with Resolution 18) without prior consultation with shareholders. If passed, the authorities given in Resolution 17 and 18 will expire on the date of the Company’s next AGM or 30 July 2020, whichever is the earlier.

The directors do not currently intend to allot equity securities for cash on a non-pre-emptive basis pursuant to the authority in Resolution 17 and 18.

RESOLUTION 19 – AUTHORITY FOR THE COMPANY TO PURCHASE ITS OWN SHARES

This special resolution will renew the Company’s authority to make market purchases of its ordinary shares on the London Stock Exchange until the Company’s next AGM or, if earlier, until 30 July 2020. The directors have no plans at present to exercise such authority and, in any event, would only do so where they believe such purchases would result in an increase in earnings per share and would be in the best interests of shareholders generally. The authority will allow the Company to purchase up to 58,039,485 ordinary shares, representing 10 per cent of the Company’s issued share capital as at 15 March 2019, the latest practicable date prior to the printing of this document. The Resolution also sets out the maximum and minimum price at which any such purchase may be made.

The Company is able to hold shares purchased under this authority in treasury with a view to selling them later on, rather than cancelling them. This provides the Company with additional flexibility in the management of its capital base. For so long as any such shares are held in treasury no dividends will be paid on them and no voting rights will attach to them. If Resolution 19 is passed, it is the Company’s current intention to cancel the shares it may purchase pursuant to the authority granted to it. However, in order to respond properly to the Company’s capital requirements and prevailing market conditions, the directors will reassess at the time of any and each actual purchase whether to hold the shares in treasury or cancel them, provided the Company is permitted to do so.

The number of unissued shares that were subject to subscription options as at 15 March 2019 was approximately 8,215,000. This equals, in number, 1.42 per cent of the Company’s issued shares at that date. If the proposed share purchase authority were to be exercised in full, those 8,215,000 shares would represent 1.57 per cent of the issued shares as reduced by the share purchases. As at 15 March 2019, the latest practicable date prior to the printing of this document, the Company was authorised to make market purchases of up to 46,394,223 ordinary shares pursuant to an ordinary resolution passed at the 2018 AGM on substantially the same terms as those set out in Resolution 19.

RESOLUTION 20 – AMENDMENT TO THE COMPANY’S ARTICLES OF ASSOCIATION

It is proposed to adopt new Articles of Association (‘the New Articles’) principally in order to reflect developments in practice, and to provide clarification and additional flexibility. The principal changes being proposed to the Company’s current Articles of Association (‘the Current Articles’) are summarised in Appendix 1 and include changes to facilitate hybrid shareholder meetings (ie, meetings held at a physical place but which shareholders may attend by electronic means (but not a purely electronic meeting)) and to the untraced shareholder provisions in the Current Articles.

Other changes, which are of a minor, technical or clarifying nature, have not been summarised. A copy of the New Articles and a copy marked to show the changes from the Current Articles are available for inspection as described in Note 9 on page 8 and at www.elementisplc.com and will also be available at the AGM.

DOCUMENTS FOR INSPECTION

See Note 9 to the Notice of Meeting on page 8.
NOTES TO THE NOTICE OF MEETING

1. To be entitled to attend, speak and vote at the AGM (and for the purpose of the determination by the Company of the votes they may cast), a member of the Company must be registered on the Register of Members as the holder of ordinary shares by 6.30 pm on 26 April 2019, or, in the case of an adjournment, by 6.30 pm on the day two business days immediately preceding the day fixed for the adjourned meeting (the ‘Specified Time’). Changes made to the Register of Members after the relevant deadline shall be disregarded in determining the right of any person to attend and vote at the meeting.

2. A member who is entitled to attend and vote at the meeting is entitled to appoint another person, or two or more persons in respect of different shares held by him/her, as his/her proxy to exercise all or any of his/her rights to attend and to speak and vote at the meeting. A proxy need not be a member of the Company.

3. Any corporation which is a member may appoint one or more corporate representatives who may exercise on its behalf all of its rights as a member provided that they do not do so in relation to the same shares.

4. Any or all joint holders of shares, registered on the Register of Members at the Specified Time, may attend the AGM, although only one holder may vote in person or by proxy. The vote or proxy appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of joint holders appear in the Company’s Register of Members.

5. A form of proxy, which covers all resolutions to be proposed at the AGM, is provided for use by holders of ordinary shares and should be read in conjunction with these notes. To be valid a form of proxy must be received by post or (during normal business hours only) by hand at Equiniti Limited, Aspect House, Lancing, West Sussex BN99 6DA by 11.00 am on 26 April 2019 or, in the case of an adjournment, by the time 48 hours (excluding non-working days) before the time appointed for the adjourned meeting. Completing and returning a form of proxy, other such instrument (including the appointment of a proxy electronically) or any CREST proxy appointment instruction (as described in Note 10 below) will not prevent a member from attending in person and voting at the meeting should he/she so wish.

6. Shareholders wishing to appoint a proxy and register their proxy votes electronically should visit the website, www.sharevote.co.uk. The on-screen instructions will give details on how to appoint a proxy and submit proxy voting instructions. Electronic proxy appointments and voting instructions must be received by no later than 11.00 am on 26 April 2019 or (48 hours excluding non-working days before an adjourned meeting) in order to be valid. Shareholders may not use any other electronic address or telephone number, whether found in this circular and Notice of Meeting, or in the 2018 annual report and accounts or on any form of proxy or the Company’s website, for the purposes of submitting voting instructions or appointing proxies. The only electronic address accepted for this stated purpose is the one at the website, www.sharevote.co.uk.

7. Any person to whom this Notice of Meeting is sent who is currently nominated by a member of the Company to enjoy information rights under Section 146 of the Companies Act 2006 (a ‘nominated person’) may have a right under an agreement between him/her and such member to be appointed, or to have someone else appointed, as a proxy for the meeting. If he/she has no such right or does not wish to exercise it, he/she may have a right under such an agreement to give instructions to the member concerned as to the exercise of voting rights. The statement in Note 2 above regarding the rights of a member in relation to the appointment of proxies does not apply to a nominated person. Such rights can only be exercised by the member concerned.

8. As at 15 March 2019 (the latest practicable date prior to the printing of this document) (i) the Company’s issued share capital consisted of 580,394,852 ordinary shares with a nominal value of 5 pence each, all carrying one vote each, and (ii) the total voting rights in the Company were 580,394,852.

9. Copies of the directors’ service contracts, letters of appointment and the New Articles will be available for inspection from the date of this Notice of Meeting during normal business hours on any weekday (Saturdays, Sundays and public holidays excepted) until 30 April 2019 at the Company’s registered office at and Herbert Smith Freehills LLP, Exchange House, Primrose Street, London EC2A 2EG. These documents will also be available for inspection at the offices of Herbert Smith Freehills LLP, Exchange House, Primrose Street, London EC2A 2EG for not less than 15 minutes prior to and during the AGM.

10. CREST members who wish to appoint one or more proxies through the CREST system may do so by using the procedures described in the CREST voting service section of the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed one or more voting service providers, should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf. In order for a proxy appointment or a proxy instruction made using the CREST voting service to be valid, the appropriate CREST message (a ‘CREST proxy appointment instruction’) must be properly authenticated in accordance with the specifications of CREST’s operator, Euroclear UK & Ireland Limited (‘Euroclear’), and must contain all the relevant information required by the CREST Manual (www.euroclear.com). To be valid the message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the appointment to a previously appointed proxy, must be transmitted so as to be received by Equiniti Limited (ID RA19), as the Company’s ‘issuer’s agent’, by 11.00 am on 26 April 2019. After this time any change of instruction to a proxy appointed through the CREST system should be communicated to the appointee through other means. The time of the message’s receipt will be taken to be when (as determined by the timestamp provided by the CREST Applications Host) the issuer’s agent is first able to retrieve it by enquiry through the CREST system in the prescribed manner.

11. Euroclear does not make available special procedures in the CREST system for transmitting any particular message. Normal system timings and limitations apply in relation to the input of CREST proxy appointment instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or a CREST sponsored member or has appointed any voting service provider, to procure that a CREST sponsor or voting service provider(s) take(s)) such action as is necessary to ensure that a message is transmitted by means of the CREST system by any particular time. CREST members and, where applicable, their CREST sponsors or voting service providers should take into account the provisions of the CREST Manual concerning timings as well as its section on ‘Practical limitations of the system’. In certain circumstances the Company may, in accordance with the Uncertified Securities Regulations 2001 or the CREST Manual, treat a CREST proxy appointment instruction as invalid.

12. In accordance with Section 311A of the Companies Act 2006, the contents of this Notice of Meeting, details of the total number of shares in respect of which members are entitled to exercise voting rights at the AGM and, if serviceable, any notices, members’ resolutions or members’ matters of business received by the Company after the date of this Notice of Meeting will be available on the Company’s website at www.elementisplc.com.

13. Pursuant to Section 319A of the Companies Act 2006, the Company must cause to be answered at the AGM any question relating to the business being dealt with at the AGM which is put by a member attending the meeting, except in certain circumstances, including (i) if it is undesirable in the interests of the Company or the good order of the meeting that the question be answered; or (ii) if to do so would interfere unduly with the preparation for the AGM or involve the disclosure of confidential information; or (iii) if the answer has already been given on a website in the form of an answer to a question.
14. In accordance with Section 527 of the Companies Act 2006, members satisfying the thresholds in that section can require the Company to publish a statement on its website setting out any matter relating to: (i) the audit of the Company’s accounts (including the auditor’s report and the conduct of the audit) that are to be laid before the AGM; or (ii) any circumstances connected with an auditor of the Company ceasing to hold office since the last AGM which the members propose to raise at this AGM. The Company cannot require the members requesting the publication to pay expenses and any statement required to be published on the website must also be sent to the Company’s auditor no later than the time it makes the statement available on its website. The business which may be dealt with at the AGM includes any statement published on a website pursuant to a request made by members under Section 527 of the Companies Act 2006.

15. Voting on Resolutions 1 to 20 shall be conducted by way of a poll as this is a more transparent way of voting as member votes are counted according to number of shares held.

APPENDIX 1
Summary of the principal changes proposed to be made to the Current Articles
Set out below is a summary of the principal changes proposed to be made to the Current Articles. The New Articles also include certain other modernising, technical and clarifying amendments and deletions which are not set out below.

1. Articles that duplicate statutory provisions
Provisions throughout the Current Articles that replicate requirements contained in the Act have been removed or amended as appropriate to avoid unnecessary duplication. For example, the articles referring to the prohibition on the Company giving financial assistance for the acquisition of its own shares have been removed because this prohibition is contained in the Act.

2. Share capital (Articles 4 and 6 of the Current Articles and Articles 3 to 7 of the New Articles)
The detailed provisions in the Current Articles relating to the power of the directors to allot shares and other securities and to disapply pre-emption rights by reference to a maximum number of shares authorised by a shareholder resolution, known as the “Section 551 Amount” and the “Section 561 Amount” have been deleted.

These provisions permitted the Company to use short form resolutions at each annual general meeting which cross refer to the authority in the articles. In light of the form of resolutions now recommended by institutional investor guidelines, and to achieve greater transparency by including all of the relevant details in the resolutions themselves, it is no longer considered appropriate to include these provisions in the articles.

The change makes no difference to the nature of the authority required from shareholders to give directors the power to allot shares and other securities, that is an ordinary resolution to give authority for any allotment and a special resolution to disapply pre-emption rights in the case of an allotment of equity securities for cash consideration. This change does not affect Resolutions 14, 17 and 18.

The provisions in the Current Articles relating to bearer shares, that is shares represented by share warrants to bearer, have been deleted in the New Articles as bearer shares were abolished in the UK in 2015. Certain other provisions in the Current Articles in relation to the Company’s share capital have also been amended, for example, the provisions in relation to commissions and trusts have been modernised and updated to reflect market practice.

3. Share certificates (Articles 8 to 18 of the New Articles)
The New Articles allow the Company to charge an administrative fee in the event that a shareholder wishes to replace two or more certificates representing shares with a single certificate or wishes to surrender a single certificate and replace it with two or more certificates. The New Articles also provide for new certificates to be issued in circumstances where a member increases or decreases their holding of shares in the Company. The New Articles confirm that certificates are sent at the member’s risk. To align the New Articles with the provisions of the Act, share certificates shall be issued within two months of an allotment or transfer of shares.

4. Calls on shares, forfeiture and lien (Articles 22 to 38 of the New Articles)
The New Articles provide that at least 14 days’ notice must be given in respect of a call for any amounts unpaid on a share. The New Articles also provide that interest shall accrue on any unpaid call at the rate fixed by the terms of the allotment of shares, or fixed in the call notice, or if no rate is fixed, the amount specified in the Act (currently 5 per cent). In relation to forfeiture of shares in the event a member does not pay a call, the New Articles provide further details on the process on transferring a forfeited share and similarly, there is further detail on the process for disposing of a share subject to a lien.

5. Share transfers and transmission of shares (Articles 39 to 47 of the New Articles)
Changes have been made to the provisions in relation to share transfers to more closely align them with the provisions with the Act. The New Articles also clarify that a person entitled to a share as a result of transmission shall be entitled to dividends and other amounts payable in respect of the share after giving notice to the Company.

6. Untraced shareholders (Articles 48 and 49 of the New Articles)
The New Articles provide additional flexibility and forfeiture rights in relation to the sale of shares owned by shareholders who are untraced after a period of 12 years.

Under the Current Articles, the Company is required to give notice to untraced shareholders of an intention to sell their shares by way of an advertisement in a national newspaper and a local newspaper. Under the New Articles the Company must instead send a final notice to the last registered address of the shareholder and use reasonable steps to trace the shareholder including, if considered appropriate, using a professional asset reunification company or other tracing agent.

Under the Current Articles, the Company may sell the shares of shareholders who have been untraced for a period of 12 years or more and retain the proceeds for the former shareholder. The former shareholder must be listed as a creditor in its accounts, so that they may subsequently claim the proceeds at any time. The New Articles treat the proceeds of such a sale as forfeited by the former shareholder, who will be listed as a creditor for only two years, after which they have no further right to claim the proceeds.

The New Articles provide further details on the process for the sale of shares held by untraced shareholders after such shares have been forfeited as set out above.

7. Alteration of share capital (Articles 56 to 59 of the Current Articles and Articles 50 and 51 of the New Articles)
The New Articles provide additional flexibility in relation to dealing with any issues arising in connection with any share consolidation or sub-division.

Certain of the provisions contained in the alteration of share capital section of the Current Articles have not been replicated in the New Articles where they are either no longer required by the Act or duplicate provisions of the Act.
8. Shareholder meetings and voting (Articles 52 to 94 of the New Articles)
The New Articles give the directors power to convene a general meeting which is a hybrid meeting, that is to provide facilities for shareholders to attend a meeting which is being held at a physical place by electronic means as well (but not to convene a purely electronic meeting). The New Articles set out how the other provisions of the articles apply in those circumstances, in particular the need to provide details of the facilities for the electronic meeting, the power of directors to make arrangements for participation at such meetings and that all resolutions put to members at the meeting, including procedural resolutions, are decided on a poll. The board does not have any current intention to adopt hybrid meetings but believes that it is appropriate, as technology continues to develop, to have the flexibility in the articles to allow shareholders to participate by electronic means.

In relation to voting at shareholder meetings, the New Articles provide more flexibility around voting procedures, however in line with best practice, the directors intend to conduct all voting on substantive resolutions at general meetings by way of poll.

The New Articles expressly provide that the chairman of the meeting may permit non-members or persons who are not entitled to exercise the rights of members to attend and, at the chairman’s discretion, speak at a general meeting or at any separate class meeting.

A number of other technical amendments have been made to the provisions relating to calling, attending and adjourning shareholder meetings, the provisions relating to security of meetings, and the provisions in relation to the disclosure of interests in shares to bring these in line with market practice.

9. Directors (Articles Article 95 to 143 of the New Articles)
Under the Current Articles, the Company may pay fees to the Directors of up to £750,000 in aggregate each year (or such higher figure as may be approved by ordinary resolution) and may also pay additional fees for any special or extra services (for example in relation to Committee membership). These fees are exclusive of any salary or other remuneration paid to Executive Directors as employees. To provide greater flexibility, the New Articles continue to allow for further payments for specific services. The Board has no current plans to change its approach to the fees paid to Non-Executive Directors and such fees must in any event be in accordance with the Directors’ Remuneration Policy as approved from time to time by shareholders (and which was last approved by shareholders at the AGM in 2018).

In relation to director appointments, the New Articles provide that all Directors will retire annually and be subject to election at annual general meetings, with the exception of a Director appointed between the notice of meeting being sent out by the Company and the meeting, who will retire at the first annual general meeting for which notice is given after their appointment.

The New Articles do not include a provision which states that a Director’s appointment may be terminated by a resolution of the Board in circumstances where the Director has been suffering mental ill health. This is in response to developments in mental health legislation and is in line with the removal of the equivalent provisions in the model articles for public companies.

The New Articles follow a broader and simplified approach to delegation of powers by Directors, more in line with the Act’s model articles for public companies and other listed companies, allowing the Directors to delegate as they decide is appropriate.

Changes have also been made to the procedural provisions in relation to the consideration and approval of directors’ conflicts of interests and the proceedings of directors.

10. Dividend payment procedure and unclaimed payments (Articles 150 to 162 of the New Articles)
Although the Current Articles permit the payment of dividends by electronic means, the New Articles allow the Directors to determine how dividends are paid to shareholders, which method shall be the default method for paying dividends and whether shareholders may (or may not) make an election for a distribution channel other than the default. The Board has no current plans to change the payment arrangements but it is important that the Company is able to cater for new developments and changes in practice, including considering the efficiency and costs saving that would flow from a change to electronic only payment.

The New Articles provide that if the Company sells the shares of an untraced shareholder, then any dividend or other money unclaimed in respect of those shares will be forfeited after a period of two years after the sale (ie, the same period after which the sale proceeds are also forfeited, as described in paragraph 6 above).

The New Articles incorporate updated provisions regarding the Company’s right to cease to pay dividends to members. These provisions now refer to circumstances where (i) at least two consecutive dividends have not been claimed; (ii) one dividend has not been claimed and reasonable enquiries have failed to establish any new address or account of the recipient; or (iii) the recipient has not provided the details necessary to make a payment of a dividend. Unless the dividend remains unclaimed for at least twelve years after it became payable or the dividend is forfeited in the manner described above, the relevant member is entitled to reclaim the arrears of dividend.

11. Notices and other communications (Articles 171 to 181 of the New Articles)
The New Articles clarify when documents will be deemed to be received by the Company and how notices, documents or information sent by the Company to a shareholder, which have been returned undelivered on three consecutive occasions, will be deemed to have been delivered by certain additional specified means. In relation to notices, documents or information sent by the Company to a shareholder, the New Articles provide that the shareholder will only be entitled to be sent further communications upon provision of a new postal or electronic address to the Company.

12. Power to indemnify Directors (Article 184 of the New Articles)
The provisions in the New Articles relating to the indemnification of Directors set out more clearly the Company’s powers to indemnify its directors, and directors of associated companies. These powers remain expressly subject to the restrictions on directors indemnities set out in the Act.
BOILER ROOM FRAUD
Share or investment scams are often run from ‘boiler rooms’ where fraudsters cold call investors offering them worthless, overpriced or even non-existent shares, or offer to buy their shares in a company at a higher price than the market value. Shareholders are advised to be very wary of any unsolicited advice, offers to buy shares at a discount, or offers of free reports about the company. Even seasoned investors have been caught out by such fraudsters. The FCA have some helpful information about such scams on their website, including tips to protect your savings and how to report a suspected investment scam. This information can be accessed at www.fca.org.uk/consumers/scams/investment-scams
